Bathroom Training Policy (for 3-4 years old only)

PK3/PK4 children enrolled in The Academy at Ocean Reef must be fully bathroom trained before enrollment. Your adherence to this policy helps ensure a positive learning environment for your child and the other children in their class.

A child is considered to be bathroom trained if he or she:

1. Can tell the teacher he/she needs to go to the restroom.
2. Is able to go to the restroom on his/her own. This includes being able to remove clothing, sitting on the toilet, wiping himself/herself, putting clothing back on, flushing the toilet, and washing and drying his/her hands.
3. Is aware of the need to use the toilet without reminders from the teachers (although, teachers do make requests of children at various times of the day).
4. Will not be in diapers or pull-ups at all. He/she must be in underwear.

If a teacher is spending their time with bathroom accidents, it disrupts the learning environment for the other children in the classroom.

We are mindful that accidents occur from time to time, and for that reason we ask that you keep a change of clothing at school.

However, if your child has bathroom accidents on a consistent basis while they are in school, we do not consider your child to be fully bathroom trained and we will have to consider withdrawing your child from The Academy at Ocean Reef.

I (we) have read and understand the policy of The Academy at Ocean Reef on bathroom training and will comply with the guidelines as stated above.
